

An illustration on a parchment-like background. A woman with long, wavy brown hair and a floral-patterned top is shown from the chest up. A white monkey is perched on her right shoulder. Above the monkey, a yellow bird is singing, with a speech bubble containing musical notes. The woman has a speech bubble containing the word "hello." The title "O Estudo da Linguagem Humana" is written in a large, white, serif font across the center of the image.
